Dear Susan:

As your summer assignment with FBIS comes to an end, I want to express appreciation for the valuable contribution you have made. It is thanks to your fine work that office files were maintained and indexed in an organized manner and that Research Staff was able to maintain continuity during periods of personnel shortages.

You have successfully completed two years as an Agency summer employee, and I want to wish you the best of luck in the coming school-year and in your future endeavors.

Sincerely,

STAT
